Dear Ms. Marks:

It is my pleasure to inform you that the Intergenerational Orchestra of America has been selected as the 2011 Intergenerational Legacy Award Recipient. In recognition of Florida's Intergenerational Week, the Department of Elder Affairs will be honoring intergenerational volunteers and volunteer programs from across the state that *have made a lasting impression in the lives of both the young and old*. The Intergenerational Orchestra of America has been chosen to receive this award because your work helps to improve the quality of life for Floridians. Your leadership helps to "bridge the gap" between generations, by providing encouragement to the young and meaning to the lives of our senior citizens.

The work of the Intergenerational Orchestra speaks highly to your commitment to inspire by example. It is this positive contribution to your community and state that deserves our recognition. We will arrange for you to receive your award at an event in your area.

This letter brings you my warmest congratulations. Should you have any questions or need additional assistance, please contact Zsa Zsa Ingram-Fitzpatrick of my staff at Fitzpatrickzz@elderaffairs.org or 850-414-2086.

Sincerely,

Charles T. Corley
Secretary
