FLIOA Products:

We are planning to sell FLIOA t-shirts, caps and other products that will advertise the orchestra with the orchestra logo on them. As soon as they become available, you will be informed. I'm sure everyone will be proud to wear or carry, advertising their favorite orchestra.

FLIOA Needs:

During the summer months the FLIOA has acquired a music library consisting of 75 symphonic scores, both classical and show music, and we are in need of a file cabinet, preferably a 4-drawer cabinet. We now have a great deal of music and it is being kept in boxes. We are running out of room. Anyone who may have a cabinet, and would like to donate it to the orchestra, please contact Lorraine Marks at: 561-995-0950, or e-mail at: strings4all@aol.com We would be so grateful.

FLIOA Receives Positive Publicity

The **Boca News** and **Sun-Sentinel** printed articles about the orchestra in their July issues. Thank you to FLIOA members Betsey Roberts for the **Sun-Sentinel** article and Dr. Barry Schwibner for the **Boca News** article. The Boca News article can be accessed at: <http://flioa.org/bocanews062709.html>

You might not have heard of the magazine, **Making Music**, but it is a national publication, and they have published an article about the FLIOA. The article appears in their September-October issue. You can access the article by going to their website at: www.makingmusicmagazine.com An article about the FLIOA and conductor Lorraine Marks will also appear in the **International Musician Journal** in the October issue.
